Mediation Philosophy

- The path to settlement is paved by a thorough assessment and discussion of strengths, weaknesses, and risks of all parties
- Honest discussions informed by historical and ongoing litigation, trial, and mediation experience can provide the parties the information each needs to reach a resolution
- Zealous advocacy and settlement are not mutually exclusive

Litigation Highlights

- Multiple jury trials throughout Texas
- Multiple summary judgment & directed verdict victories
- MDL litigation counsel in products liability and oil & gas
- Representation of employers, employees, businesses, healthcare providers and entities, insured parties, contractors, design professionals, and individuals.

Practice Areas

- Health Law
- Commercial & Business Disputes
- Employment Litigation
- Personal Injury (workplace, auto, trucking)
